User Experience	Excellent	Good	Negative	
App Grading	Platinum	Gold	Silver	Elementary
Technical Must Fix Issues	0			
Design Must Fix Issues	5			

Detailed Report

1. User Experience Related Issues

- a. The application does not have a live update. If you aren't using a live tile, do not provide a wide logo in the manifest. For Guidance see <http://msdn.microsoft.com/en-us/library/windows/apps/hh465403.aspx>.
- b. Provide appropriate tile text.
- c. The appearance of the screen should be modified to give a better appearance.
- d. Show more content to make the app useful.
- e. Even after logging in the Home screen asks to login.
